

Agenda
 UHIP-GC Antimicrobial Stewardship (AS) Subcommittee
 02/23/2023 @ 12:00-1:00

Mission:

Protect the residents of Utah from multiple-drug resistant infections through optimizing antimicrobial prescribing practices and improving patient outcomes in Utah.

Vision:

The State of Utah will lead the national efforts to eliminate antimicrobial-resistant infections. Utah strives to reduce inappropriate antimicrobial use in healthcare settings.

Goal:

Expand antimicrobial stewardship through collaboration with healthcare facilities to create and implement robust antimicrobial stewardship programs and improve infection control practices throughout the state of Utah for the citizens of Utah.
